CHARACTERISTICS

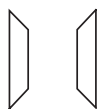

A minimum of 50% of our felt is composed of recycled PET beverage bottles.

Thickness: 9 mm

Density: 1.9 kg/m²

APPLICATION

Thanks to the large variety of products and colours we can offer, the felt panels can be used in any environment from office spaces and hotels to public buildings and classrooms. They can be used in different ways. In addition to the wall and ceiling application, the panels can also be used as a room divider, desk screen or as baffle.
